

An INCREDIBLE Composition

Directions: Go to www.incredibox.com or open the Incredibox app.

1. Choose one of the movie scenes below and create and record a mix using Incredibox that matches that scene. Imagine that it is the music that is playing in the background of the movie.
2. Record your creation by clicking the icon with 3 lines.  You must record at least 30 seconds.
3. When your recording is finished save it. Use your real name and the title of the scene you chose below.
4. Next, SHARE your mix with me by selecting SHARE and sending it to YOUREMAIL@your.school.

1. HAUNTED MUSEUM

Two cautious but curious teens are creeping through a museum at night. The museum is dark and quiet when the teens suddenly hear a sound from behind the Mummies of Ancient Egypt display.

2. DAY IN THE PARK

A frisky, young beagle takes a trip to a new place his human has never taken her to before. It's a park designed specifically for dog! She runs as fast as she cans, runs through the best obstacle course of her life, rolls on her back in the grass and plays an exciting game of catch with her human in the sunshine.

3. WALKING HOME FROM SCHOOL

He had just finished the best day of school ever. He aced his math test, won first chair in band and was invited to Tamara's party next week. With his backpack slung over his shoulder, ball cap on his head and earbuds in, he strutted down the sidewalk to his home.

4. DANCE CLUB

It's Saturday night and Jaxon has just made it to the dance club to hang with his friends. You can hear the bass thumping as he opens the door to the club. It is crowded and loud and there's a jammin' song making everyone dance.

5. BABY DAY

You can tell from the frantic look on their faces that it is finally time to have their baby. The young couple's car veers in and out of traffic, honking at the other vehicles to get off the road. They are excited and nervous and their tires screech as they pull into the hospital parking lot.

6. BASKETBALL

She stands on the three-point line, eyes on the net. She grips the basketball a little harder as she thinks about tomorrow. Tomorrow she plays for a room full of college scouts and this is her last practice. She takes a deep breath and runs into the game.

7. MAKING ART

Balloons filled with paint were tacked onto large pieces of canvas and a bucket of darts sat nearby. THUMP! SPLASH! A dart hits the first balloon and paint splashes down the canvas. Thump! Splash! Laughter grows as Shonda, Joey and Miguel make exploding art in the backyard.

8. SOUNDTRACK OF MY LIFE

Create a mix that reminds you of you taking a walk outside.
