### **6<sup>th</sup> Grade ELA**

### **6<sup>th</sup> Grade Social Studies**

Online Readworks.org for both my 6th grade ELA classes and my one Social Studies class.

I have created individual classes and assignments that will keep them working until the end of the month.

This site is outstanding because I usually use it a great deal in preparing for the Smarter Balance test.

### **6<sup>th</sup> Grade Computers**

Log on to the HOUR OF CODE website. There is plenty of projects as well as games they can code away on.

If anyone has questions, they can email me at [jonp@willapavalley.org](mailto:jonp@willapavalley.org).
