

Mr. John Peterson's Student Resources for School Closure

On Monday, March 16, I went over things with students that they could do during our absences. I gave them my school e-mail, johnp@willapavalley.org, so they all know how to contact me. Below is our plan:

7th Grade History:

Students were given a copy of the Chapter 4 test-GREEKS- that I was planning on giving them this week, before all this happened. Then, later today I came up with ideas for the weeks:

- a. March 16-20- Greek test
- b. March 23-27- Chapter 5 – The Roman Republic and Empire. Read the chapter and familiarize yourself w/the vocab words.
- c. March 30- April 3- Chapter 6 – The Legacy of Rome. Read the chapter and familiarize yourself w/ the vocab.
- d. April 6-10- Prepare a poster or power point on Julius Caesar, Octavian, or one on the class divisions in Rome.
- e. April 13-17- Spring Break
- f. April 20-24- Prepare a poster or power point on the causes and effects of the fall of the Roman Empire.

ALL PE CLASSES:

Students can do something each day and journal about it. Here is the model I suggested:

- g. M, W, F- Do 3 sets of 10 push-ups and sit-ups/planks (20-30 secs) and an aerobic activity for 30-40 minutes.
- h. TU and TH- Just do an aerobic activity. NO Push Ups or Sit Ups.

****** ALL the kids know that that it WILL NOT BE held against them if they don't complete the work. This is simply a guide that will help them when they return. Hope this helps everyone stay on track.**
